Cool downs are cumulative for the season, players who accumulate 4 cool downs will be suspended for 2 games and be required to pay \$50 fee to have their eligibility reinstated.

ATHLETIC LEAGUE REFUND POLICY

TEAM ENTRY FEE

Planning for athletic leagues is extensive. Not only do facilities have to be secured for a defined length of time, but also divisions have to be drawn up and the length of the season (number of games, etc) has to be determined before the actual game scheduling begins.

Much of this is done on projection based on the number of teams from the previous year. However, the final organization and scheduling (which is the most time consuming) doesn't begin until the deadline for submitting entry forms has passed.

If a team drops out at this point, it will affect the division draws that have already taken place. To have to re-draw divisions or to back up and have to reschedule a division is costly and time consuming.

Teams should be careful that they would have enough players before they pay their entry fee. When they pay their entry fee, they are making a commitment to field a team and should be responsible for upholding that agreement.

Once the deadline of Thursday, November 8, 2018 has passed, NO REFUNDS SHALL BE GIVEN.

2018/19 Roster & Liability Release Form

I agree to abide by the established rules of the facility or program. I understand that the City of Casper does not carry accident insurance for participants in recreation programs. I also agree to release the City of Casper, its Council, Manager, officers, employees, agents, subcontractors, the Casper Recreational Leagues Association, and the Community Recreation Foundation from any and all liability, responsibility, claims, demands, actions, or causes of action whatsoever arising out of my injury or death, or damage or loss of property while upon any City of Casper premises or while participating in any activities. The terms of this release and Indemnification are contractual and not a mere recital. The undersigned acknowledges by execution of this Release and Indemnification that he/she understands these provisions and freely and voluntarily enters into them.

By signing and submitting this Liability Release Form, I understand that I am a legally rostered player for the team listed. If it is discovered that I played illegally for a different team, I will be suspended for 2 games and must pay \$50 to be eligible once the suspension ends. I also understand that games played using an illegal player will be forfeited.
